FITCHBURG – The Department of Public Works advises residents of the following work that will be done, weather permitting, during the week of October 19.

**Citywide Water Meter Upgrade Project**

The City's contractor, Baystate Winsupply, will be installing new water meters throughout the City Monday – Saturday, 8 a.m. – 4 p.m. Customers are notified via U.S. mail and asked to make appointments for meter replacement through a website or over the phone.

**Road Construction**

Monday – Friday, 7 a.m. to 3 p.m. Expect road closures, delays and detours.

- Construction on Beech Street will continue.
- Installation of driveway aprons along Crawford Street from the Nashua River to the Leominster line will continue.
- Paving on Ashby West Road will continue.

Gas main work by Unitil/NEUCO, which may result in road closures and detours will continue all week in the areas of:

- Electric Avenue from Old Deerfield Road to Woodworth Avenue
- Intersection on Franklin Road @ Clarendon Street
- Franklin Road from Shea Street to Depot Street
- Pratt Road from Clarendon Street to Beech Street
- St. Andrews Street from Clarendon Street to Edward Street

**Street Sweeping**

Monday - Friday 7 a.m. – 3 p.m. Spot sweeping City Wide. Residents are asked to sweep sidewalks in front of their properties. Sand should be placed in windrows and not in piles so that the equipment can successfully remove it.

**Maintenance Work**

Monday – Friday, 7 a.m. to 3 p.m. Minor traffic impacts:

- Pothole repairs in all wards.
- Sewer cleaning & TV of various locations. Expect loud truck noise, localized detours and lane shifts.
- Sewer trench paving on Elm Street- Oliver Street to Hartwell Street. Monday – Friday 7 a.m. – 5 p.m. Expect road closures and construction noise.
- Trench repair in the area of 9 Weymouth Street. Expect local road closure.
- Highview Street sewer work will begin with the mobilization of construction equipment and clearing of trees. Expect truck noise and equipment in the roadways.
- Repair water gate boxes at various locations throughout the City.
- Excavation to relocate water service in front of 260 Lincoln Street on Wednesday.

**Hydrants**

- Hydrant flushing on the high system (hydrants with red tops) in the area of Ashby State Road and Pearl Hill Road including all side/interconnecting streets.
- Hydrant flushing on the low system (hydrants with black tops) in the area of Townsend Street from John Fitch Hwy towards McIntosh Lane including all side/interconnecting streets.

Use [SeeClickFix](#) to report maintenance requests or concerns including potholes, sidewalks, signs/signals, lights, parks, catch basins or manholes.

Please call the DPW Dispatcher at 978-829-1900 with any immediate request including weather related events (snow, wind, ice, flooding) or sewage backups.
